

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ENERTRODE, INC.,

Plaintiff,

v.

GENERAL CAPACITOR CO. LTD, et al.,

Defendants.

Case No. [16-cv-02458-HSG](#)

**ORDER DENYING MOTIONS FOR
JUDGMENT AS A MATTER OF LAW
AS MOOT**

Dkt. Nos. 318, 358

On January 30, 2019, the Court entered final judgment memorializing the jury's verdict. Dkt. No. 384. Because the Court did not grant either party's motion for judgment as a matter of law under Rule 50(a) before submitting the case to the jury subject to the court's later deciding the legal questions raised, Fed. R. Civ. P. 50(b), the pre-verdict motions are now moot and thus **DENIED**. See Dkt. Nos. 318, 358.

Under Federal Rule of Civil Procedure 50(b), a party may file a renewed motion for judgment as a matter of law and/or for new trial "[n]o later than 28 days after the entry of judgment." Unless otherwise ordered, any renewed motion will be taken under submission on the papers once the briefing is complete.

IT IS SO ORDERED.

Dated: 1/30/2019

HAYWOOD S. GILLIAM, JR.
United States District Judge
